Duties And Responsibilities Of Licensed Technical Personnel

Licensed Technical Persons (Licensed Architects , Licensed Town Planners, Licensed Engineers , Licensed Structural Engineers and Licensed Supervisors)

- (a) It will be incumbent on every Licensed Technical Personnel, in all matters in which he/she professionally consulted or engaged, to assist and co-operate with the Municipal Commissioner and other Municipal Officers in carrying out and enforcing the provisions of the Act and of any Bye-laws for the time being in force under the same.
- (b) Every Licensed Technical Personnel shall in every case in which he/she may be professionally consulted or engaged, be responsible, so far as his/her professional connection with such case extends, for due compliance with the provisions of the Act and of any regulations for the time being in force under the said Act, or such of them as may be in force under the said Act, or such of them as may respectively be applicable to the circumstances of the particular case and in particular it will be obligatory on him/her to satisfy himself / herself that a qualified and competent Mistry or Inspector of Works is constantly employed and present on the work to supervise the execution of all works and to prevent the use of any defective material therein and the improper execution of any such work.
- (c) In every case in which a Licensed Technical Personnel is professionally concerned in connection with any building or work upon any premises, in respect of which a right to require as set-back has accrued or is about to accrue to the Commissioner under the Provisions of the said Act, or any of them, it will be incumbent on such Licensed Technical Personnel to ascertain whether "the regular line of the Street" has been prescribed and whether any portion of the said premises is required for the street or under any presence whether, be a party to any evasion or evasion of the set-back (if any) that may be required.
- (d) In every case in which a Licensed Technical Personnel professionally concerned in connection with any building or work upon any premises designed or intended to be used or any purpose in respect of which the written permission or license of the commissions, is prescribed by the said Act as a necessary condition to the establishment or use of such premises for such purpose, it shall be incumbent on such Licensed Technical Personnel, so far as his professional connection with such case extends, to see that all conditions prescribed by the said Act, or by any Bye-law of the time being in force there under, in respect of premises designed or intended to be applied to such use, are duly fulfilled or provided for.
- (e) A Licensed Technical Personnel shall not carry out work in connection with any building or other erection on a plot of land leased or agreed to be leased by the ULB / DA in contravention of any term or condition of the lease or agreement for lease
- (f) When a Licensed Technical Personnel ceases to be in the employment for the development work, he shall report the fact forthwith to the Authority.
